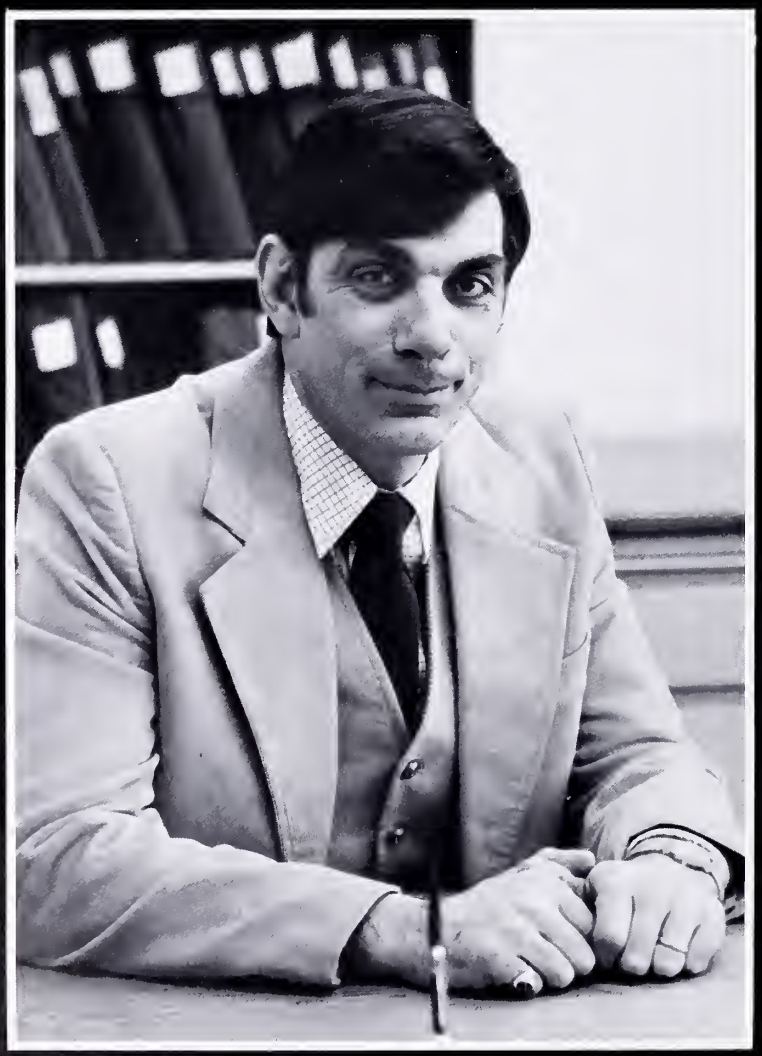
DEDICATED TO DR. DENNIS GOLDEN

After accepting the appointment of Vice President of Student Life at Duquesne University of Pennsylvania, Dr. Dennis Golden withdrew from his positions at FSC as the first Vice President of Student Services and Head Football Coach. An Alumna of FSC, Dr. Golden returned to the college in 1967 to become the Assistant Dean of Students and Head Freshman Coach for the football team. He was named to the Holy Cross Hall of Fame in 1974, the same year he received his doctorate in Higher Education Administration from Boston College.

In 1978 he was appointed the first Vice President of Student Services where he provided support to many students at FSC. The graduates of the Class of 1982 wish him much luck in his career at Duquesne University.



The Framingham State College community lost not only an admirable teacher, but a special friend when Dr. Mary Melley-Cotter passed away on June 20, 1981 after a long illness.

A member of the Home Economics Department, Dr. Melley was an outstanding professor who always gave one hundred percent of herself in her positions as faculty member, student teacher supervisor in Home Economics, and an advisor to the FSC chapter of Phi Upsilon Omicron (the Home Economics honor society. Dr. Melley was active outside of the FSC community as a member of the advising committee for the Massachusetts Teacher Certification Team, and chairman of the teacher section of the Massachusetts Home Economics Association, with memberships in many other organizations. Dr. Melley received a distinguished service award from the FSC Alumni Association for her outstanding professional services. A Mary Melley-Cotter Scholarship Fund has been established at FSC. Contributions in her memory may be made in care of the Milton Cooperative Bank.

IN MEMORY OF DR. MARY MELLEY-COTTER
